**1) Saturdays from 10:30-12:30 AM 8-week class starting January 16**

**Conventions Recap - Updating your Convention Card**

Not sure which bids are forcing over interference or what your partner means when he bids 3 Diamonds over your 1NT opener? We'll iron out the details with plenty of practice hands plus a section of the class will be devoted to random deals so that we'll be able to address problem areas immediately.

**2) Sundays from 4:30-6:15 PM 8-week class starting January 17**

**Refresher Bridge**

This class is ideal for the experienced beginner as well as the player who needs a refresher or review of modern bridge. We'll cover NoTrump, Major and Minor suit bidding, take-out doubles, slam bidding etc. We'll also review bidding rules and card playing techniques.

**3) Sundays from 6:30-8:15 PM 8-week class starting January 17**

**Beginning Bridge**

Have fun and make new friends learning the world's most exciting game!

This class is ideal for the new player, and will focus on evaluating your opening hand and modern bidding techniques.

**4) Tuesdays from 9:30-11:15 AM 8-week class starting January 19**

**Thinking Bridge**

This class will focus on topics of the day and how to respond with difficult hands. Each board will have concerns with bidding, play, and defense. A section of the class will be devoted to random hands and choosing the best bid available.

**5) Wednesdays from 12-2 PM 8-week class starting January 20**

This course addresses pesky bridge problems and helps to clarify problematic auctions. As always, the last hour of the class will involve random deals for supervised play which will guarantee structured practice for each student.
